

## Rev. Oscar E. Bonny Is to Give Baccalaureate Sermon, May 19

The Rev. Oscar E. Bonny, pastor of the Rosedale Congregational Church, Kansas City, Kansas, will be the baccalaureate speaker Sunday, May 19, Dr. J. W. Jones, president of the college, announced today.

"For such a Time as This" will be the title of the baccalaureate address to be given in the College auditorium, at 3 p.m., by the Kansas City pastor, who was president of the Ministerial Alliance of Kansas City, last year.

Rev. Oscar E. Bonny

Rev. Bonny was born in Poland, grew up in exile in Siberia, and made his way to the United States 24 years ago at the age of 21, having lived in Canada with his family after their escape from Russia about 1920.

"Out of Exile in Siberia to Gospel Leadership Here," reads a headline of the Kansas City Star, Dec. 9, 1956, telling the life story of the pastor who has served the Rosedale church since 1953.

"Rousing ovations have been accorded him in the Kansas City area," writes the Star's editor. "Several times a week he has been addressing audiences of young persons and civic clubs."

Mr. Bonny attended the German Baptist academy and seminary at Rochester, N. Y.; the Baptist Seminary in Rochester; and the Baptist College in Sioux Falls, S. D. In 1943 he earned his master's degree at the Oberlin Graduate School of Theology, Oberlin, O.

Today, Mr. Bonny's sermons give no hint of boyhood sufferings or early lack of education. He is a poised speaker, "with a sense of drama in narrative. His sermons reveal a cultured mind, a liberal theology and familiarity with the philosophers of history. On Sunday morning his church is filled by a devoted congregation."

Dr. A. C. Breckenridge, dean of faculties at the University of Nebraska and 1937 graduate of Northwest Missouri State College, will deliver the address at the Commencement Exercises Friday, May 24. President J. W. Jones announced today.

The return of Dr. Breckenridge to the campus to

Dean Breckenridge received his Bachelor of Arts degree in 1937 from Northwest Missouri State College, his Master of Arts degree

Missouri's General Assembly allotted \$185,000 for dormitories with the provision that the College raise the remainder of the funds needed. Today the Regents of the College will issue bonds for \$850,000 for the remainder of the dormitory funds. As soon as the money is on hand the work on the buildings is expected to begin.

The legislature also allotted \$500,000 for a new health and physical education building, \$1,150,000 for a new classroom building, and \$380,000 for repairs and remodeling.

For the recessional Mr. Gerhard Krapf, organist, will play, "March in C Major" by Purcell.

## Abe-of the Second Floor

Nobody pays much attention to Abe; nobody hardly ever looks at him. Abe has been standing on the second floor so long that he isn't at all sure that it is the Administration Building that keeps the rain off his head—when there is rain, that is.

Abe sees a lot, even if no one sees Abe. He doesn't mind this too much because he likes people, and people is what Northwest Missouri State College abounds in—all kinds. Just before an assembly—ten minutes or so—Abe has a better chance than the entire staff of Confidential magazine to find out about these people and what they are doing around campus. At this time he has a chance to see almost everyone in school. Abe is probably the greatest expert on styles in this part of the country. He has seen about everything in the way of changing fashions, and if I'm not mistaken, he highly approves the Ivy League styles for girls this year. Abe almost snapped a brace rod trying to get a closer look the other day . . .

Abe tries to take in everything at a time like this. Everyone trusts Abe; at least no one speaks in whispers near him. Next best to an assembly, Abe likes the ten-minute break between classes. At those times, Abe gets in on more hot news than the yeoman of the Admiral of the 6th Fleet does during a "brink of war" alert and a tentative H-Bomb test. A group of girls will meet at his feet to discuss the girl across the hall in the dorm and how it was that she acquired a "campus" the night before. Or it may be a couple of shrewd campus politicians trying to figure out how to get control of the social committee caucus or the New Tweed machine. Abe even sees an instructor or two venture from their eight-to-five haunts, often stopping by to offer opinions on the latest intoxicating beverage ruling concerning all hands.

After the last bell rings, Abe has a quiet forty minutes in which to watch the stray students at the tables in the hall, laboring away on an assignment for the next hour. It's a fairly calm period . . . a couple oblivious to the Tall Man's knowing look saunter past on the way to the Den. Herr Barker rushes by after suddenly remembering where he misplaced his comb, and a man in a coat and tie marches up the stairs with pipe wrench and crow bar to replace a burned-out light bulb.

Abe doesn't get too excited anymore at anything he sees or hears. He's been here long enough to know that what the situation is today is not true of tomorrow. Abe looks forward to tomorrow with its ten-minute breaks . . . there's always something new on campus.

# Intramural Commission Declares Leader

## In Athletic Race Sig. Taus, Cromer Lead for Awards.

The intramural commission, under the direction of Dr. H. D. Peterson, has announced the results of the 1956-57 intramural athletic season:

With only the golf and track meets remaining, the Sigma Tau Gamma fraternity leads in total points with 527. Following the Taus are the Phi Sigs, 376 points; TEKES, 308 points; and Independents, 217 points.

Vic Cromer, Phi Sig, has a 256 to 198 lead over Larry Rowley, Sig Tau, for the outstanding athlete award. Rowley was the recipient of the award last year.

Points for the awards are given on a systemic basis figured by the intramural commission. In the team sports, points are awarded to each team for the number of men participating, number of wins, and number of losses. In the case of the individual, points are awarded to him for lettering in a varsity sport; being out for a varsity sport; and his participation in intramural events.

More participation than ever before marks this year's athletic season. In the 12 different events the commission sponsors, more than 500 men turned out for competition. Two new events were added to the calendar this season, wrestling and bowling.

The intramural season started off with a bang. More than 30 contestants turned out for the intramural tennis tournament with Bob Alcorn the winner. Jamie Neely, Sig Tau, won the badminton tournament and teamed up with Marvin Black to take the doubles for the Sig Taus.

Touch football was won by the Sig Taus with more than 100 men participating in the sport.

Basketball received the largest turnout with more than 150 men. Winners of basketball were the Sig Taus, who just edged the Phi Sigs.

Wrestling was won by the TEKES as they gathered 37 points in this sport. Bowling was also won by TEKES with Ken Gabriel, TEKE, having the season's high with a 202 game.

The Independents won the swim meet with several meet records being broken. The volleyball championship was captured by the Phi Sigs and softball was won by the Sig Taus.

Men serving under Dr. Peterson on the intramural commission this year have been Gene Johnson, Norman Higginbotham, Don Pierpoint, Jamie Tankersley, and Dick Hargrave.

Seen above with their coach, F. W. Grube, are the members of the 1957 Bearcat tennis team. The members of the team include, back row left to right, Warren Landess, Bob Alcorn, and Coach Grube. Front row left to right, Charles Adair, Dick Phillips, and Larry Rowley.

## Bearcats Capture MIAA Tennis Title

Coach Frank Grube's Bearcat netters turned in the most successful tennis season in the history of the State College. Not only did they win seven of their eight matches, but Saturday in an uphill battle, copped the MIAA title for the first time.

It took the fine doubles team of Charles Adair and Dick Phillips to grab the crown from Warrensburg, defending champions.

Warrensburg had the lead at 9 points. Maryville had 8 points and Rolla had 7.

Adair and Phillips had Ron Roth and Terry Kohler, Rolla, to beat in the finals of the doubles bracket.

The two Bearcats played a masterful game in winning the first set, 6-2. But the two Rolla players pressed them and took the second set 6-4, forcing the match into an

extra set.

The final set was close, but Adair and Phillips managed it on a 6-4 win, giving Maryville the doubles title and the MIAA championship.

Playing in the four-man team in matches Saturday were Larry Rowley, Bob Alcorn, Adair and Phillips.

Alcorn gained the quarter-finals on two wins in singles. Rowley lost in the opening round and Adair and

The baseball team had a pleasant change of pace when they took both ends of a double header from Warrensburg, 4-2 and 9-2. Jim Fronkier pitched a beautiful four-inning first game while Kensil Walker and Ron Cain teamed win the second. The Bearcats combined good pitching and hitting together with their best fielding of the year to come with the two victories. Two games remain with Warrensburg these will conclude the Bearcats' season. Their record now is at 3-7.

The tennis team continues to roll on by beating Warrensburg, 6-0 and Wayne, Nebraska, 5-1. The team now has an overall record of 6-1 with its only loss coming at the hands of Omaha University.

Sorry to see that Wayne Jackson reinjured his leg. Kirksville meet. Jackson was leading the field in the 440 dash and was running a great race when his leg gave out on him as he came around the last curve.

Denzil Caldwell did a great job of representing North Missouri State College in the Drake Relays as he finished three-way tie for fourth place in the high jump, an event won by the fabulous Wilt (the Stilt) Chamberlain of Kansas at the height of 6'6 1/4". Caldwell cleared the bar at 6' 1 3/4", a mark well below his MIAA record. However, that mark was good enough to win a tie for fourth place in a field of very good competition. One of the men he beat was the great Ron Kramer of Michigan and one of the men he tied was Charles Billings of Texas. Nice going, Denzill!
